

## Coming Soon In the U.S!

*The First-Ever Rivesaltes Rosé from the Roussillon Region in the South of France...*

Capitalizing on the great trend of Rosé on the wine market, the Institut National des Appellations d'Origine (I.N.A.O.) has recently approved the making and marketing of **Rivesaltes Rosé**, the new color of the **Rivesaltes Vin Doux Naturel**, from **Roussillon**.

For the moment, the region will begin exporting this wine through two producers: **Société Bardinet Valauria** and **Vignerons Catalans Rivesaltes Rosé by Croix Milhas**, and will be followed by several private sellers and corps.

Vinification: 100% Grenache Noir

SRP: Under \$20

US Importer: TBD (as of November 2011)
